

Now Well

"Thedford's Black-Draught is the best all-round medicine I ever used," writes J. A. Steelman, of Pattonville, Texas. "I suffered terribly with liver trouble, and could get no relief. The doctors said I had consumption. I could not work at all. Finally I tried

THEODOR'S BLACK-DRAUGHT

and to my surprise, I got better, and am to-day as well as any man." Thedford's Black-Draught is a general, cathartic, vegetable liver medicine, that has been regulating irregularities of the liver, stomach and bowels, for over 70 years. Get a package today. Insist on the genuine—Thedford's. E-70

Divine Believed Collapse Certain

Louisville Man. However, Gains Weight After Taking Tanlac.

Louisville, Ky., Oct. 12.—C. D. Divine, one of the best and most favorably known men in Louisville, who is bookkeeper for the Falls City Clothing Company, recently had these words to say about Tanlac, the premier preparation:
 "It was my misfortune to be afflicted with an aggravated case of stomach trouble and a highly nervous condition for several years. Gas would accumulate in my stomach, causing me great pain. These attacks followed one another in such rapid succession that my system became weakened and made me susceptible to coughs and colds.

"At one time I feared I was in danger of a complete nervous breakdown. In fact, I was told that the breakdown was inevitable. I had a tired, worn-out feeling, my sleep was fitful, I was lacking of energy, and had no appetite. I was depressed in spirits and devoid of ambition.

"I suffered for two years, the stomach trouble refusing to yield to the treatment of the best physicians in Louisville. My nervous system shattered. I felt as though my case was hopeless.

"Since using Tanlac, I feel like a different man. I have gained in weight, I sleep better, my appetite has returned, and I am filled with vigor and ambition. The tired feeling has vanished completely."

Tanlac, the premier preparation, is sold in Big Stone Gap, by the Mutual Drug Company, and in Norton, by the Norton Drug Company.
